The 2nd Baris Northern Counties East(er) Groundhop

28 – 30 March 2013

Dear all

Easter 2013, and we are delighted to bring you the second groundhop staged by the Baris Northern Counties East League. Yet again, we've come up with a great package of games for you to enjoy, with eight games across both divisions.

We kick off on Maundy Thursday with a trip to AFC Emley's Recreation Ground (7.45pm), with a brief call first to the foot of the UK's tallest free standing structure, the TV tower on Emley Moor. Good Friday sees matches at Glasshoughton Welfare (11am), Pontefract Collieries (1.30pm), Hemsworth Miners Welfare (4.30pm), and Athersley Recreation (7.45pm). Saturday sees us travelling to the far North-East of the League's area as we visit Bridlington Town (11.30am) for their huge derby with Scarborough Athletic, before heading for Pickering Town (3.30pm), and the weekend rounds off at Tadcaster Albion (7.30pm). All games are still subject to final confirmation.

Coach and transport

The coach base this year will again be Wakefield. Why not let the coach take the strain for the weekend, be ferried around in comfort, and enjoy a beer or two? We are also repeating our coach user's discount on the ticket, meaning a ticket for all games costs only £44, which includes all the programmes.

The coach will pick up at set times on the Thursday evening, and on Friday and Saturday mornings from the Hop HQ, the Cedar Court Hotel. The hotel has been chosen for it's convenience to the M1, and to cut down on driver hours for what will be two very long days, so if you are staying elsewhere in the area, please come over to the hotel to meet the coach. The cost of the coach will be available at a daily rate, but priority will be given to those booking for the full weekend. Bookings will not be accepted for coach transport without holding a match ticket.

Accommodation

Once again, the base will be the Cedar Court Hotel. Literally just off the M1, this four star hotel is superb, and offers a wide range of facilities. This year we've negotiated a great deal on B&B, which also includes the use of the hotel's extensive leisure facilities, and free car parking for those booked in with the group.

Programmes etc

All clubs will be made aware of the number of programmes that will be needed on the day. The number will be based on the bookings we receive, so reserve your copies by booking tickets! Packs will be made up in advance for the Hop. Programmes will be available inside each of the grounds. Remember, that programmes will be included in the price of your advance ticket; if you're buying a part ticket, then programmes are included for the relevant games.

Trading

Several traders will be in attendance at the hop. As usual, all the unofficial trading that is part and parcel of a hop is not only welcome, but encouraged!! The only proviso we make is that if you are trading, you need to hold a full weekend ticket.

Match Tickets

Tickets are available in advance for the hop, and these of course guarantee you a programme at each game. The advance ticket will give a large discount on the match day admissions; those using the coach will enjoy an even better price. In addition, we appreciate that some hoppers may want to pick and choose their games, so we have introduced a single match ticket scheme. This includes admission to the selected games(s) and a reserved programme at each; you may buy as many or as few as you want for these games. Admission is available on the gate if you do not wish to buy tickets in advance.

Tickets will be despatched around two weeks before the event.

Booking and Payment

You may book for the hop by completing the attached Booking form, and we look forward to seeing you at Easter!
